

REMARKS/ARGUMENTS

In the Notice of Allowance, the Examiner indicated some discrepancies between Figures 15 and 25 and the description of those figures in the specification. This amendment corrects the specification to more accurately describe the contents of the Figures. No new matter is added by the amendment.

In view of these Amendments, Applicants do not believe any changes to the figures are necessary. Accordingly, Applicants respectfully request withdrawal of the objection to the figures.

Respectfully submitted,

Matthew E. Hinsch
